

## Decorative Street Lighting

Decorative street lights can be installed upon request and at the City’s option, for the monthly lease payments listed in the table below. These options are available to builders, real estate developers and property owners associations who wish to present a more stylish look and feel than can be achieved with the standard wooden poles with standard street lights.

Decorative street light installations require a minimum 10-year term service agreement.

Style		Decorative Lease Payment
	47 w LED Deluxe Traditional Street Light on a smooth fiberglass pole (Pole Option 1)	\$21.50 per month
	47 w LED Deluxe Traditional Street Light on a fluted pole (Pole Option 2)	\$33.00 per month
	40 w LED Acorn Street Light on a smooth fiberglass pole (Pole Option 1)	\$21.50 per month
	40 w LED Acorn Street Light on fluted pole (Pole Option 2)	\$33.00 per month
	161 w LED Shoebox Street Light (on a square aluminum pole)	\$18.00 per month
	Two 161 w LED Shoebox Street Lights (on one square aluminum pole)	\$19.50 per month
	207 w LED Shoebox Street Light	\$18.50 per month
	Two 207 w LED Shoebox Street Lights on 1 pole	\$22.00 per month
